

MEMORANDUM

DATE: June 30, 2014

TO: Leanne Pollock, Planner III

FROM: Nancy Ellis, Parks Administrator

SUBJECT: Land Use Applications

LU-0006-2014, 9400 Barnes Road

Parks and Recreation has no comment relative to this request

LU-0009-2014, 8961 Pocahontas Trail

Parks and Recreation supports this request provided the applicant is able to provide a public water access as is consistent with the Parks and Recreation Master Plan: 6.3.2.5 "Community Vision for Land"-

"Provide greater access for inland water ways through public resources (Eastern end near James River Elementary) and private development (Stonehouse Development) for residents to access water for recreational purposes/public access to the beach."

Cc: John Carnifax, Director Parks & Recreation
